

Guidelines

- Kindly use the given template for submitting your project (Make a copy of the template)
- One team is only required to submit one project/ppt.
- The ideal size of the presentation should not be more than 10 slides.
- You are welcome to add as many POCs and design concepts to support your project.
- The project should be feasible and the team members should be capable enough, to come up with the prototype of the same idea, if required.
- ***Solutions must include at least one Google technology.***
